Dear Barry,

Subject: Factory Expansion Construction - 2011

Thank you for your team's dedicated support throughout the course of our recent factory expansion!

Throughout the bid process, your team was professional and accurate, making the choice of Wurzel Builders, LTD. an easy one for us. From the early stages of the build process, your team collaborated with us to create a schedule that met our needs. Ultimately, your Construction Supervisor's management of the schedule allowed us to occupy our building and cleanroom space on time. Your flawless management of on-site contractors ensured the project was completed safely, within budget, and in conformance with design specifications.

Thanks again for Wurzel Builders' fine work on our behalf! We look forward to any future opportunity to work with you and your team.

Best Regards,
